## SAVE THE DATE!

4 – 8pm

Dear Friend of the Farm,

We can hardly believe we're gearing up for our 4th annual Harvest on The Hill fundraiser!

Each year this one-of-a-kind event seems to reshape and grow in exciting ways. For 2025, we're excited to have welcomed several amazing planning committee volunteers through a new partnership with Leadership Akron's NEXT Program -- and we are all looking forward to seeing YOU!

**Please consider joining us again – or come as a new partner and friend! We're currently reaching out to potential sponsors and auction donors who are passionate about community, gardening, entrepreneurship, and the rich cultural heritage that makes North Hill such a special enclave.**

Gather in this special green space with friends, community leaders, sustainable farming advocates and our Gardeners and volunteers, for a traditional Nepali meal by Momo House, plus music, garden tours and garden-focused activities, a new auction format, and more. ***Harvest on The Hill is a true celebration of fall, abundance, and community in Akron!***

Akron Cooperative Farms is nestled in a 4.5-acre parcel of previously underutilized land, which formerly served as the city's Patterson Park baseball fields! We are honored to serve New Americans and others from the neighborhood and beyond, offering purpose and a place to garden. 2025 marks our 6th growing season, with 140 gardeners leasing plots and future visioning and strategic planning currently in the works! There is much more to come, and we couldn't be more excited.

Vibrant and alive thanks to YOU and our many partners, we provide sustainable agriculture space, educational programs and volunteer opportunities for **GROWING TOGETHER**.

***See you in September among the zinnias and sunflowers!***
